assessed so much per month, but to in-sure the payment of the assessment it to handle all business. The following

ments to follow. Dr. Jackson, who is now absent, is expected to return in a day or two, when the deed for the ground will be made to the company, and the work

will then begin immediately. Rev. Robt. D. Wear, pastor of the Cumberland Presbyterian church, will

TO THE BITTER END.

THE FIGHT BETWEEN THE WEST-PANY AND THE OPERATORS.

The Walk-Out Yesterday by Eleven Thousand Men-How the Strike is Generally Regarded by Business Men Throughout the Country.

The fight between the Western Union Telegraph Company and the operators in their employ came to a crisis yesterday morning, when the compa-ny refused to recognize the committee A Visit to the Hospital Grounds-How a

Hospital in Tents Looks.

Yesterday afternoon a GAZETTE reporter visited the ground where the said of the world, have been focused in anxious expectation upon the two great antagonists, waiting with feverish impatience to see the turn affairs would take. Within a few minutes after the refusal of the company to recof nize the committee, it was known all over the country. At 10:50 o'clock, New York time, cipher dispatches were flashed over the wires to the most intense excitement prevails tents are new and of the best canvass.

They are well put up and strongly braced with scantlings four by four inches, well set in the ground, and it

The New York Merchants Exchange, New Orleans Cotton Exchange, and size one. The main line of the Missouri Pacific road passes within a couple of hundred yards of the tent, and a siding voted by each to aid the brotherhood the tent, and a siding has been laid to switch oil cars with goods for the hospital. It is the intention of the company to build a small station-house at this siding of the Western Union office in Fort when the hospital is completed. A Worth, there were two operators be-telephone wire has been run on tele-longing to the brotherhood, and upon graph poles along the Missouri Pacific | the receipt of the cipher dispatch they road, and posts planted up to the hos- both walked out. They were seen by pital ground, so that now direct com-munication has been established be-tween the tents and the city. Mr. one of them, "this is not an ordinary Wesson was found by the reporter to strike but an organized one, with all be a very pleasant gentleman, who the sinews of war necessary for hold-very obligingly answered the numering out.
